

KLove has been instrumental in creating a loving family environment, not only in my house hold, by in many others who listen to KLOVE. KLOVE has been so inspirational in my life as a struggling single mother. KLOVE supports me spiritually daily - It was my teenage daughter who told me about KLOVE, so I know KLOVE is reaching our teenagers in very difficult times. FM is a better band, it comes in clearer than the AM. It is critical KLOVE stay on the air. Thank you.
